HANDMADE IN SPAIN SINCE 1893

All Mariner Craftsmen contribute, using their individual expertise, to make sure that the final product responds to the philosophy that represents the spirit of the brand and its most traditional values: Quality, Beauty, Customization and Perfection.

These are values that are always present, no matter what the nature of the project, from a simple loft to the most spectacular and unique palaces. The Quality and beauty of MARINER products have been successfully tried and tested in a variety of markets on all five continents. The company's international profile was confirmed soon after it was founded in the 19th century, because by 1915 MARINER had already sold its products in various European countries and the Americas.

Design, passion and a great deal of craft. One thing that has never changed at Mariner in over a century is the commitment to a job well done. Our master craftsmen have been able to permanently pass on their great attention to detail and experience to each generation, combining the most traditional methods with modern manufacturing techniques and turning each project into an authentic work of art.

ROMANTIC

THIS VINTAGE ART NOU-VEAU CHANDELIER, ORIGINALLY DATING BACK TO THE EARLY 1900S, WAS RELAUNCHED IN 1993 TO COMMEMORATE THE 100TH ANNIVERSARY OF MARINER, S.A. THE GREEN-TINTED ART GLASS AND THE WHIMSICAL LEAF DECORATIONS ENHANCE THE BEAUTY OF THIS UNIQUE AND ICONIC PIECE.

Los arcos se han vuelto de espaldas al techo cambiando su tradicional posición. Desde París llega el modernismo que todo lo invade y que se cuelga de los brazos de las lámparas.

A black and white photograph of a man from behind, wearing a dark t-shirt with the word 'MARINER' printed on the back. He is holding a camera up to his eye, taking a picture of a large, ornate chandelier with multiple lit candles. The chandelier is highly detailed with metalwork and glass. The background is slightly blurred, showing what appears to be a gallery or museum setting with other art pieces.

A close-up photograph of a piece of alabaster, a type of gypsum rock. The stone is light-colored with subtle veining and some darker, irregular markings. A metal clasp, likely made of brass or a similar alloy, is visible in the bottom left corner, partially obscuring the stone. The clasp has a textured, possibly engraved, surface and a small circular opening. The word "ALABASTER" is printed in a large, white, serif font across the middle of the image.
