LEGACY OF LUXURY

MARINER
1893

HANDMADE IN SPAIN SINCE 1893

All Mariner Craftsmen contribute, using their individual expertise, to make sure that the final product responds to the philosophy that represents the spirit of the brand and its most traditional values: Quality, Beauty, Customization and Perfection.

These are values that are always present, no matter what the nature of the project, from a simple loft to the most spectacular and unique palaces. The Quality and beauty of MARINER products have been successfully tried and tested in a variety of markets on all five continents. The company's international profile was confirmed soon after it was founded in the 19th century, because by 1915 MARINER had already sold its products in various European countries and the Americas.

Design, passion and a great deal of craft. One thing that has never changed at Mariner in over a century is the commitment to a job well done. Our master craftsmen have been able to permanently pass on their great attention to detail and experience to each generation, combining the most traditional methods with modern manufacturing techniques and turning each project into an authentic work of art.

AMALFI COLLECTION

THE AMALFI COLLECTION STRIKES A BALANCE BETWEEN THE DELICACY OF ALABASTER AND THE SCULPTURAL STRENGTH OF LOST-WAX CAST BRONZE. CLEAN, LINEAR FORMS ARE ENHANCED BY AN ORGANICALLY TEXTURED BRONZE CENTER THAT EVOKES NATURAL ENERGY. MORE THAN JUST A LIGHT FIXTURE, AMALFI IS AN AESTHETIC STATEMENT, BRINGING CHARACTER AND SOPHISTICATION BY BLENDING PURE MATERIALS WITH EXCEPTIONAL CRAFTSMANSHIP.
