AN EXCLUSIVE VISION

Tradition and design come together in a new expression of light and sophistication.

The Gallery Collection redefines lighting with a contemporary approach, where exquisite craftsmanship meets bold forms and noble materials. Alabaster, Venetian glass, bronze, and brass come together in designs that go beyond function to become true works of art.

This is just a glimpse of what light can do for a space:
TRANSFORM. INSPIRE. CAPTIVATE.

MARINER

MORE THAN A
CENTURY
ILLUMINATING WITH ART

Since 1893, Mariner has been synonymous with craftsmanship, excellence, and timeless design. For over 130 years, we have perfected techniques, combining tradition and innovation to create unique pieces. Our legacy continues to illuminate exclusive spaces worldwide, transforming light into art.

MARINER
1893

Each Mariner luminaire is born from a careful selection of noble materials and an artisanal process that ensures the highest quality. From bronze casting to hand-engraving, every piece reflects a legacy of perfection. The finishes, meticulously applied by hand, create unique nuances that enhance their beauty.

MAESTRY

Luxury is not only about aesthetics but also the precision of every detail. More than just illumination, each luminaire transforms the space with its presence. At Mariner, excellence is not just a standard—it is a promise.

RADIANCE

Every detail has been meticulously designed to capture the essence of luxury, transforming light, materials, and forms into a language of distinction. This collection does not simply illuminate spaces—it elevates them into timeless masterpieces.

This is just a glimpse of what we can create.

LEGACY & ART

True craftsmanship is a legacy perfected over generations, preserving its essence intact. At Mariner, each luminaire is the result of centuries-old techniques, where light is transformed into art.

Every detail reflects the mastery of our artisans, ensuring that each piece not only illuminates but also stands as a symbol of timeless beauty and excellence.

NOBLE MATERIALS

High-purity alabaster that gently filters light, creating a warm and elegant atmosphere.

UNIQUE NUANCES

Patinas and lacquers are manually applied in immersion baths, achieving rich tones and a sophisticated sheen that enhances every detail.

ARTISANAL LEGACY

Casting and hand-engraving ensure precise details and flawless finishes, reflecting the mastery of generations of artisans

ARCHITECTURE

Each piece is a work of art, playing with volumes, textures, and reflections to transform the space.

ETERNITY

MARINER
1893

Mariner does not simply create lighting; it brings to life pieces that transform spaces, transcend time, and become a legacy of light. Each design is a celebration of craftsmanship, where tradition and innovation merge to create unique luminaires. This is just a glimpse of what's to come... a universe of luxury, elegance, and mastery that you will soon discover in its entirety.

"It is an achievement to which we have all contributed: family, team, suppliers, and, above all, our clients. The key lies in the trust they place in our projects and the passion we bring every day..."

Jorge Mariner

Manager of Mariner.

"Keeping our passion alive since day one; the satisfaction of a job well done in every order; the magic of starting a new project that captivates the entire team..."

Alejandro Mariner

Head of Production
